

ANCHOR FACTS OF AMERICAN HISTORY

Mini Lessons & Printables

Anchor Fact 10: Apollo 11 Moon Landing

Answer the questions below after you watch the mini lesson video.

What major technology came 200 years before the moon landing, in 1769?

Why did President Kennedy say we chose to do hard things, like going to the moon?

What famous mistake did Neil Armstrong make in his moon landing speech?

Activity idea:

Let's use our imaginations!

What big inventions and new technologies do you think could change the future like the steam engine, intercontinental railroads, and space travel?

Use the activity sheet on the next page to imagine a new invention for the year 2069.

Cut out this sticker and attach it to your timeline.

Design Your 2069!

In the box below, draw what you think might be humanity's next great achievement in 2069:

Write more about your idea:

What is it?

How will it help people?

What do you think will be the hardest part about making this invention real?
